ACTION DATE: June 20, 2006

Scott Horan,
Executive Director
Planning & Construction

Andre' A. Nougaret,
Assistant Superintendent
for Support Services

ACTION REQUESTED BY THE SUPERINTENDENT: That the School Board approve a professional services consulting contract delivery order in the amount of \$28.8K to Triad Engineering, Inc., P.O. Box 2397, Winchester, Virginia for construction testing services in support of the A.G. Wright Middle School Addition.

KEY POINTS:

1. Triad Engineering, Inc., is currently on the SCPS professional consulting services list of approved A/E firms.
2. Scope of construction testing services will include all required on-site and laboratory testing, monitoring/inspections, and submittal of reports for concrete (foundation, slabs, etc.), steel (re-bar, structure steel joist, connectors, etc...) and soils (grading, compaction, etc...).
3. Staff estimates the construction testing services will be required on a full-time basis for approximately seven (7) weeks and on an intermittent basis for an additional five (5) weeks. Staff has used Triad Engineering, Inc., in the past with a high degree of success.
4. If approved by the School Board, staff plans to award a contract to Triad in early July 2006. Work will start after the award of the AGWMS Addition project.

SCHOOL BOARD GOAL: #5 – Provide facilities that promote student learning and community support.

#7 – Provide school environments where teachers are safe to teach and students are safe to learn

FUNDING SOURCE: VPSA – AGWMS Addition
